

MULTI-SHIELD

WITH **ADR**

WINDSHIELD REPAIR

In the blink of an eye, damage can appear on your windshield. Keep such distractions from completely ruining your windshield with ASG's Multi-Shield. Windshield protection covers repairs of stars, chips and small cracks less than 6" in length caused by road hazards or road debris.

DENT & DOOR DING

Protect the exterior of your vehicle from minor cosmetic damage. ASG's Multi-Shield protection permanently removes door dings and minor dents without harming the vehicle's factory finish.

TIRE & WHEEL

Road hazards are unpredictable. You do not want to be stuck on the side of the road with an expensive blowout or flat tire. We will pay for costs to repair or, if non-repairable, to replace the tires and wheels of your vehicle that fail due to contact with road hazards like potholes, nails, rocks or tree limbs and more.

ROADSIDE ASSISTANCE

No matter what time you need us, our Emergency Roadside Assistance is available for the following services:

- Towing
- Fuel Delivery
- Battery Service
- Lock-Out Assistance
- Flat Tire Assistance

AUTO DEDUCTIBLE REIMBURSEMENT (ADR)

If an incident covered by your auto policy results in a loss during the coverage period, you could potentially receive reimbursement for your covered auto deductible. ASG's ADR coverage encompasses both comprehensive and collision claims, providing reimbursement up to \$500 per loss, twice a year.
